Yes, we did it again! Another award for another category and another honor! It feels like yesterday that we just won the Golden Bull Award, but a million thanks to you, our customers, just recently, we have just won another award for "The Most Renewal Domain 2008" by MYNIC!

In case you don't already know, MYNIC Berhad (MYNIC), is the sole administrator for web addresses that end with .my in Malaysia. The formal gala dinner event was officiated by Datuk Dr. Maximus Ongkili, Minister of Science, Technology and Innovation (MOSTI) and witnessed by Encik Mohamed Sharil Mohamed Tarnizi, Chief Operating Officer of Malaysian Communications and Multimedia Commission (MCMC).

List of winners are as follows:

- 1.The Most New Domain Name Registration 2008 : Qinetics Solutions Berhad
- 2.The Most Renewal Domain Name 2008 : Exa Bytes Network Sdn Bhd
- 3The Highest Percentage Increment of New Domain Name Registration 2007/2008 : E-Globalfocus Sdn Bhd (Hostpro2u)
- 4.Most Pro-Active Reseller : HostRelax.Com, Inneta Corporation Sdn Bhd
- 5.Appreciation Award : Cobweb Sdn. Bhd.

# Regulated Domain Names Policy & Procedures

# Regulated Names Policy & Procedure

- Launched 30 July 2009
- Regulated Name
  - registered as a domain name without meeting the necessary qualifying criteria, or obtaining consent, licence and/or permission from government ministry/dept/agency or regulatory authority

The screenshot shows the my DOMAIN REGISTRY website interface. At the top left is the logo with the tagline "Internet Identity For All". To the right are navigation links: Home | Contact Us | Sitemap, followed by a search box. Below this is a horizontal menu with links: About Us, Public Announcements, FAQ, Media Centre, WHOIS, MYDRP, Statistics, and External Links. The main content area features a large image of a blue and gold pen writing on a document. Overlaid on the image is the title "Regulated Names Policy and Procedure" and the URL "www.domainregistry.my". Below the image, a breadcrumb trail reads "Home » Instructions » Regulated Names Policy and Procedure". The main text is titled "Regulated Names Policy and Procedure" and contains four numbered points:

1. This document sets out .my DOMAIN REGISTRY's policy and procedure regarding Regulated Names.
2. Regulated Names are names prescribed by statute which may only be used subject to the necessary qualifications, consents, licences and/or permissions having been obtained from the relevant government ministry, department, agency or regulatory authority, as may be applicable to .my DOMAIN REGISTRY.
3. A Regulated Name may only be used as a domain name subject to the necessary qualifications, consents, licences and/or permissions having been obtained by the Registrant from the relevant government ministry, department, agency or regulatory authority.
4. .my DOMAIN REGISTRY and its Resellers will rely on the Registrant's warranty at the time of registration that the Registrant is in full compliance with all of .my DOMAIN REGISTRY's rules, regulations and policies. If this is found to be untrue at any time, .my DOMAIN REGISTRY reserves the right to delete the domain name
