

APTLD Board Elections 2012

List of Nominees (in alphabetical order by ccTLD)

Paul Szyndler / .au

Organisation: .au Domain Administration Ltd (auDA)

Business Title: General Manager, Public Affairs

Address: 114 Cardigan St Carlton Victoria 3053 AUSTRALIA

Email: paul.szyndler@auda.org.au

Phone: +61 2 6292 5034; +61 402 250 389 (mobile)

Profile:

Paul Szyndler is General Manager, Public Affairs at Australia's country code manager – auDA. He has held this position since 2008. His responsibilities include community outreach and engagement, government affairs, media and communications and policy development.

Paul also represents auDA in a range of international fora, including as Australia's representative to ICANN's ccNSO.

Prior to joining auDA, Paul worked as a senior policy officer for Australia's Department of Broadband, Communications and the Digital Economy for 8 years.

Although he has worked in areas as diverse as telecommunications policy, grant programme management and IT procurement strategy, the majority of his experience is in the Internet Governance arena. He has participated in multi-stakeholder and inter-governmental policy discussions since 2001, including as Secretariat to ICANN's Governmental Advisory Committee, Australia's GAC representative, and as part of the Australian Government's engagement in WSIS, ITU plenipotentiaries and the IGF. This experience provides him with strong skills in the discussion, development and communication of Internet-related policy.

Tan Yaling/ .cn

Organisation: China Internet Network Information Center

Business Title: Team leader of Internet Policy, Technology Development Department

Address: 4 South 4th Street, Zhongguancun, Haidian District, Beijing, China

Email: tanyaling@cnnic.cn

Phone: +86 10 5881 3243

Profile:

Yaling Tan is Team leader of Internet policy at Technology Development Department of CNNIC. He has been participating in APTLD community ever since joining the CNNIC. APTLD is the home for ccTLD manager in the AP region, and the home for the IDN. It is with our collective effort that IDN ccTLD fast track come into reality. Apart from APTLD, Yaling Tan has been involved in the IDN ccTLD and new gTLD process on behalf of CNNIC.

With a deeply believe that APTLD could do much more to benefit the Internet community in AP region, Yaling Tan would like to make his fair contribution to shape APTLD into a more influential entity in the community.

Tan received his Master degree of International relations at Peking University of China.

Jonathan Tat On Shea/ .hk

Organisation: Hong Kong Internet Registration Corporation Ltd (HKIRC) – registry for .HK

Business Title: Chief Executive Officer

Address: 18B, Wai Sing Mansion, Taikoo Shing, Hong Kong

Email: jonathan.shea@hkirc.hk

Phone: +852 2319 3821

Profile:

Jonathan Shea is the Chief Executive Officer of HKIRC, registry for the .hk ccTLD and .香港 IDN ccTLD. Since Jonathan joined HKIRC in 2002, HKIRC has been transformed to a customer-centric organisation providing reliable and sustainable domain name

	<p>registration services to both local and global Internet users. New categories such as .idv.hk, second-level .hk, Chinese .hk and Chinese .香港 were introduced in 2003, 2004, 2007 and 2011 respectively. Jonathan believes in further opening up the domain name market by introducing the registry-registrar model in 2011.</p> <p>Jonathan would like to contribute more to the development of ccTLD administration and operation, IDNs, promotion of ccTLDs and Internet governance in relation to domain name administration in the Asia Pacific region. He was a member of the ccNSO working group establishing the IDN ccTLD Fast-track process, and is a member of the ICANN IDN VIP working group – Chinese team. Jonathan has been participating in APTLD activities since 2005 and has been a board member since 2007.</p> <p>Jonathan has 20+ years of experience in IT, telecom and Internet industries. Starting as an electronic and telecommunications engineer, Jonathan has in-depth knowledge in the technological development of data networking and the Internet. Before taking up the CEO role in HKIRC, Jonathan was the Chief Technology Officer and Chief Information Officer in a number of telecom and Internet service operators.</p>
	<p><u>YungJin Suh/ .kr</u></p> <p>Organisation: KISA (Korea Internet & Security Agency)</p> <p>Business Title: Director of Internet Technology Team</p> <p>Address: 102-203 SamsungCityVill, 276-12 HaGae-1-Dong, NoWon-Gu, Seoul</p> <p>Email: yjsuh@kisa.or.kr</p> <p>Phone: home +82-2-405-6470</p> <p>Profile:</p> <p>Yungjin Suh is the Director, Internet Techonology Team at KISA (Korea Internet & Security Agency).</p> <p>He has been in charge of .kr ccTLD SRS & DNS operation since 2001. He was involved in designing, developing, and operating .kr ccTLD registration system. In 2005, he played key role in implementing EPP (Extensible Provisioning Protocol) to .kr SRS interface.</p> <p>Moreover, he developed the DR (Disaster Recovery) system for .kr SRS and DNS to ensure that the critical operations of .kr can resume within a shortest time frame. With his sold background in Internet</p>

	<p>Protocol networking, he was also involved in building IPv6 and Anycast DNS sites for .kr ccTLD over the world.</p> <p>In addition, he contributed to the implementation of Korean IDN service in 2011 as well as the development .kr domain name policies.</p> <p>Prior to join to KISA, he worked at Oracle Korea as a system programmer. Mr. Suh holds Master degree in Information and Communication from GIST (Gwangju Institute of Science and Technology), and Bachelor degree in Computer Science from MyongJi University in Korea.</p>
	<p><u>Norsuzana Harun/ .my</u></p> <p>Organisation: MYNIC Berhad</p> <p>Business Title: Acting Chief Executive Officer</p> <p>Address: MYNIC Berhad (Co.No. 735031-H) Level 3, Block C Mines Waterfront Business Park No.3, Jalan Tasik Mines Resort City 43300 Seri Kembangan Selangor Darul Ehsan Malaysia</p> <p>Email: ana@domainregistry.my Phone: 6019 - 227 6884</p> <p>Profile:</p> <p>I am Norsuzana Harun from .my DOMAIN REGISTRY which is a brand name for MYNIC Berhad. .my DOMAIN REGISTRY is a sole administrator for web addresses that end with .my in Malaysia. I hold a master degree in the field of science from University Putra of Malaysia in year 2000.</p> <p>I have 8 years of experience in the IT industry specifically in the field of software development for .my DOMAIN REGISTRY's system during my earlier career development. My journey in .my DOMAIN REGISTRY has evolved since 2007. I was appointed as Manager of Technology & Innovation (TNI) department in year 2007 and then promoted as Senior Manager Operations in April 2010.</p> <p>The position does not come easy as I have to prove that I am capable of running other units besides Technical, which is my forte. The new post requires me to oversee departments like Business Development & Corporate Communications and Registration & Billing.</p> <p>The Business Development & Corporate Communications was developed in line with our aim to increase domain growth and sales besides positioning and strengthening our brand in the market. Business Development which focuses on domain growth has managed to secure strategic partnerships and smart alliances with</p>

Asia Pacific Top Level Domain Association

	business partners such as the leading search engine company, Google Inc.
