<2nd year (2016)>
- Connection with ICANN, ISOC KOREA
- Developing textbooks (more intensified and broader)

<3rd year (2017)>
- Organize Programs with International organizations (ISOC, IGF, ICANN etc)
Upcoming Event

• KIGF(Korea Internet Governance Forum)

- 4th KIGF (Oct. 30. 2015)
- Co-Hosts : KIGA, KISA
- Supervision : Anyone who wants to attend KIGF
- Program : beginner session, current Internet Governance, Internet address, KIGA’s steering Committee meeting etc

* People who want to present about Internet governance can submit proposals that they will make programs
Way Forward

• Put our best efforts such as expanding issues of scopes in KIGA, holding events to share views about Internet Governance and Increasing interactions among multistakeholders actively

• Hope to make KIGF as an active Internet governance collaborating with Asia-Pacific such as APTLD, APrIGF etc

• Hope to organize programs with international organizations such as ISOC, IGF etc related with internet governance.
Thank you very much!
