AT-LARGE ADVISORY COMMITTEE (ALAC)

REPRESENTING ALL ENDUSERS OF CIVIL SOCIETY, NGOS AND OTHER MAINLY NOT-FOR-PROFITS

AT-LARGE ADVISORY COMMITTEE (ALAC) — 15 MEMBERS

10 selected by RALOs to serve on the ALAC (2 from each RALO)

5 selected by Nom Com to serve on the ALAC (1 from each region)
COMPARISON OF ROLES

At Large Advisory Council (ALAC)

• Provides advice to other sections relating to policy development
• 15 ALAC members - 2 members elected by each RALO; NomCom appoints one per region
• Participants/members of At Large working groups are any internet endusers; not necessarily ALS members
• ALS members vote in RALO elections
• ccNSO Liaison is non-voting.

Country Code Names Supporting Orgn (ccNSO)

• Develops global policies and best practices as they relate to ccTLDs and ccTLD managers
• Council has 18 members
• 15 elected by ccNSO members; 3 appointed by NomCom
• All ccTLD managers can participate in working groups – including non ccNSO members
• ALAC (and GAC) liaisons attend Council meetings but are non-voting.

Generic Names Supporting Orgn (GNSO)

• Develops policies related to generic top level domains eg .com, and new gTLDs.
• 23 members - 18 of whom are voted by the gNSO stakeholder groups
• Sections include: Registries. Registrars, Commercial (including Intellectual Property and Internet Service and Connection Providers) and Non-Commercial Stakeholder Groups
• The ALAC Liaison is a voting member; ccNSO liaison is not.
Thank you.
