  Katriana Sataki (.lv) and Keith Davidson (.nz)
ccNSO activities

- IANA Stewardship Transition
- Enhancement ICANN Accountability
- Framework of Interpretation WG
- Other major activities
IANA Stewardship Transition Process & ICANN Accountability
IANA Stewardship Transition Process

- NTIA Announcement March 2014
- ICANN initiated process during Singapore meeting

- Perspectives on Transition Oversight Function:
  by its very nature impact on all ccTLDs

All ccTLDs invited to participate
members and non-members ccNSO
members and non-members Regional ccTLD organisation
Groups IANA Stewardship Transition Process from ccNSO perspective

• **IANA Stewardship Transition Coordination Group (ICG)**
  – Mandate: deliver a proposal to the NTIA recommending a transition plan of NTIA’s stewardship of IANA function
  – 4 ccTLD members (Martin Boyle, Keith Davidson, Xiaodong Lee, Mary Uduma)

• **Cross-community Working IANA Stewardship Transition Proposal on Naming Related Function**
  – Purpose: develop proposal for transition around naming related part of IANA Function
  – ccNSO and GNSO initiated
  – ccNSO appointed ccTLDs: Lise Fuhr (.dk), Erick Iriarte, Paul Kane (.ac), Staffan Jonson (.se), Vika Mpisane (.za)

  If questions:
  contact appointed ccTLD members of CWG
Enhancement of ICANN’s Accountability Process from ccNSO perspective

• Cross-community Working ICANN Accountability
  – ccNSO appointed ccTLDs: Mathieu Weill (.fr), Jordan Carter (nz), Eberhard Lisse (.na), Roelof Meijer (.nl), Giovanni Seppia (.eu),

• Purpose: develop and propose mechanisms to enhance ICANN’s accountability that:
  – must be in place or committed to within the time frame of the IANA Stewardship Transition (WS 1);
  – Full implementation may take well beyond the Transition (WS2)

If questions pr need further clarification: contact appointed ccTLD members of CCWG Accountability

  - ccTLD community list
  - ccTLDWorld list
ccNSO IANA Stewardship & Accountability Coordination Committee

• Purpose:
  – coordinate efforts ccTLDs
  – Inform ccTLD community
  – Engage ccTLD community in processes

• Membership only ex officio + observers
  Regional Organisations

• Information:
  http://ccnso.icann.org/workinggroups/istacc.htm
Progress FoI WG

- Recommended interpretation of RFC 1591 around: Consent, Significantly Interested Parties (aka L.I.C.), revocation and transfer (aka un-consented re-delegations)
- Final Report, including recommendations adopted in Singapore, no objection GAC
- Framework to be submitted to:
  - ICANN for adoption and implementation
  - CWG Stewardship and CCWG Accountability
Reminder Framework of Interpretation
Purpose and scope

– No new Policy, but interpretation of existing policy
  • Basic policy document: RFC 1591, 1994
– No ccPDP -> ccNSO WG structure
– ccNSO and GAC have to support recommendations
– Topics:
  • obtaining and documenting consent
  • obtaining and documenting support from Significantly Interested Parties (Local Internet Community or LIC)
  • revocation and un-consented re-delegations
  • IANA reporting on delegation and re-delegation.
  • Glossary of Terms
Other Activities
ccNSO WGs

• SECIR WG
  – Implement ccTLD Contact Repository, to enable ccTLD operators to communicate with each other on security incidents.
  – Call of SECIR to participate in contact repository
  Info: http://ccnso.icann.org/workinggroups/secir.htm

• Strategic and Operational WG
  – Input on draft ICANN’s Five year Ops Plan 2016-2020 (completed)
  – New chair: Giovanni Seppia (.eu)
  – Anticipate Input on draft ICANN FY 2016 Operational Plan and Budget
  Info: http://ccnso.icann.org/workinggroups/sopiwg.htm
Joint WGs (cross community WGs)

• Joint WG on use of Country & Territory names as TLDs
  – Established at Singapore meeting 2014
  – Discussing base-line for framework: how could issues be addressed identified by Study Group
• ccWG on Framework of Principles for ccWG
  – WG to develop principles how to establish, participate and, manage cross community WGs
  – Focus on: Decision making between Supporting Organisations and Internal in WG, balancing membership
