In the beginning

- 1995 PNGUT started with 9600bps
- 1997 Switched to 64Kbps
- 1997 Registered & Est the .pg domain name

PNGUT is registrar
- **Vision**
  Our vision is that all operators and owners of dot pg (.pg) will operate registered domain names.

- **Mission**
  Our mission is to provide all members the network to facilitate domain registers, nonprofit, in dialogue with members to ensure member satisfaction.
Current Operations

- Non-Profit Organization
- Register domain names under .com.pg, .net.pg, .ac.pg, .gov.pg, .mil.pg, .org.pg
- DNS queries and emails in/out are congested
- Due to the only 64Kbps BW
- Result - Customer complaints and Dissatisfaction
- Membership doubled in 3 years
• Relationship in growth of computers on campus;
Management/ Fee Schedule

- PNGUT Managers under ICT Services
- ICT Services staff support on share time basis

Difficulties
- Low BW, 64Kbps for email / DNS
- Internet Services drop outs
- Cope with complaints from clients
- Operating .pg under ICT Services
Future Direction
- Telikom PNG upgrade to 2MB BW
  * Capture 512Kbps for Email/DNS
- Increase Rental fee’s
- Separate Identity within PNGUT
- Legislate to PNGUT Act
Thank you
