- Public Security Division
- Internet Incidents Prevention Division

KISA
Applications for domain names are received by an Authorized Agency (=AA).

Applications for multiple valid requests are registered in chronological order. (First come, First served)

Applicants must pay the registration fee to AA.
KISA choose AA For substituting domain management
Registration Requirements

Registrants must have a residential postal address in Korea.

Domain names below the specific second level domains should be registered according to their respective purposes provided in Table1.

Letters of the Alphabet [A to Z] or [a to z], letters of Hangeul (2,350 syllables), numbers [0 to 9], and hyphens are available for domain names.
Additional Services

Issuing domain confirmation

SMS service on deletion date

Lock service

Expiration date changing service
