Outreach and Awareness

- APOutreach is ready to be launched (website: www.apoutreach.org)

- So far, since Oct. 2000
  we had four joint outreach programs in
  New Zealand, India (Mumbai, New Delhi), HK, Shanghai.

- AP* Outreach Program will work jointly with local organizers such as APTLD, APNIC, MINC, APRICOT, ccTLD, etc.

- Each organization has its own outreach program. APOutreach will coordinate each organization and provide useful information maintaining a main website.
Other Progressing and/or Progressed Works

- Network Technology / Engineering Workshop (of ISOC)
- New gTLDs including .asia
- ICANN & ccTLD Contract Workshop
- Next ?
