The 5th Belarus IGF will take place in Minsk, fall 2020

You are welcome to attend!

Every year since 2016:
— over 450 participants
— 15 countries, from Canada to Armenia
— the same organizer.

Every year we make new friends :)
Agenda

Same but different

43,6% ........ E-Government
38,2% ........ Open Data Infrastructure
32,7% ........ Cybersecurity
27,3% ........ Personal Data Protection
27,3% ........ IoT
20% ........ Regional Problems of Internet development. Legal aspects.
Agenda

Same but different

Some of the new topics from the latest forum:

— Internet Balkanization
— Cyber Transformation
— Internet as a Media
— Internet as an Inclusive Environment
— Futurological Panel Discussion
Outcomes

2 years ago the first open data portal appeared in Belarus

Today we are waiting for the Law on Personal Data Protection
Thank you!
